

- Position : **Internship – Forwarding and Logistics**
- Place : Sydney, Melbourne, Adelaide, Brisbane, Perth (Australia)
- Starting Date : September 2012
- Responsibilities : We offer internships of a 6 month duration in our offices in Australia. During the internship, students get the opportunity to gain a practical understanding of what it means to work in the freight forwarding and logistics business.
- Skills required : The internships are geared for students studying business as well as transport or engineering subjects. A good command of the English language is indispensable. Practical experiences would be advantageous.
- Application : Interested applicants should e-mail a Resume with Cover letter to apply@rohlig.com
