2. YOUR DATA

As part of the online application process, we process the data that we receive from you in order to administer your participation in the Short Term Study as well as general data that is required for the HSB web pages.

We take the protection and trustworthy handling of your personal data very seriously. You may rest assured that we have taken all necessary technical and organisational measures to protect the data you provide with appropriate measures against loss, misuse or unauthorised use. Your data is stored in a secure operating environment that is not accessible to the public.

3. PROCESSING PURPOSES AND LEGAL BASIS

The data processing is carried out for the purpose of and within the framework of the administration of the Short Term Study Program. The legal basis is the EU General Data Protection Regulation (GDPR).

We process personal data on the basis of your revocable consent in accordance with Section 6 (1) Sentence 1 a, Section 7 GDPR.

Please also note that despite your revocation we may have to retain certain data for a certain period of time in order to comply with legal requirements (see „Duration of storage" for more details).

In cases where we process your personal data on the legal basis of Section 6 (1) 1 e or f GDPR, you have the right to object at any time for reasons arising from your particular situation. We will then no longer process the personal data unless there are demonstrably compelling legitimate grounds for the processing which override your interests, rights and freedoms, or the processing serves to assert, exercise or defend legal claims.
