### Bring Europe to the Classroom and sign up for our Project “Europe meets School” (IO)

**The exact date and time tba**

It gives you the opportunity to get together with a school class and realize a small school project focusing on your home country or a European topic. You spend three to five lessons working on the project – more if required – and the teacher provides support. A public presentation of the results will take place at the end of the programme, during which the projects will be either presented live or displayed in the form of short reports with photographs. At the end of this event, classes and students receive a certificate in recognition of their efforts.
