and Life Sciences, Vienna

Green.Building.Solutions. (GBS) Online Summer University

July 17 - August 08, 2021

Join us for the next edition of the award winning GBS Summer University in its 2nd online-format! This intensive design and engineering program brings together expertise from across the globe to show you how to make sustainable buildings a cornerstone for tackling climate change. In-depth knowledge comes to you from leading universities based in the most liveable city in the world; Vienna.

Upon the award of a scholarship, the participant only needs to pay €490 (instead of €990).

What is included?

- Certificate of the University of Natural Resources and Life Sciences, Vienna (BOKU University) for 7 ECTS
- Exclusive online access to world class experts in the field through lectures, live sessions and personal exchanges
- Realization of a real life case study through project work, guided by involved Austrian professionals
- Access to tailored content and specialized documentation prepared by experts especially for the program
- Dedicated staff to support on all aspects and answer your queries for the whole duration of the program
- Special goodie*: Live in a fully furnished student guest house in Vienna EITHER during the entire three-week GBS in 2021 OR for one summer week in 2022 – for free! (*as global travel situation allows)
